Autumn Leaves Fall

Once upon a time in Japan, some friends met after a long time, under some Japanese lamps.

It was autumn, many leaves were falling from the trees, the leaves were red, orange, yellow and brown, some were dry. The friends were happy to see each other and walked together.

Along the way they came across a sushi stand and ate sushi. And suddenly he began to see a lot of wind and behind the wind someone with white eyes and a blue body appeared and took them by the shoulders and the friends got scared and it was a monster that froze everything in its path, also freezing the couple of friends, which remained still and full of frost without being able to move.

Then the heroine of autumn, heard what was happening in the city and went to rescue them, caught monster and thawed everything and so the friends could continue with their **Happy Reunions!**
